NDIA Lone Star - a "Model Chapter" from 2014-2016 and counting

(Dallas/Fort Worth Region and surrounding areas)

"Strength through Industry and Technology"

<http://ndialonestar.org>

The NDIA Lone Star Chapter is one of the largest chapters in the country with member numbers ranging around 2000 members, including from all the areas major contractors such as Lockheed, Raytheon, Bell, L-3 and the Government with many bases in the local region and representation on key Congressional Committees by our local members of Congress, which is one of the highest such concentrations in the country. We are blessed to be in a region so active with Defense Industry (and Government) activity. Help us help you get more involved, benefit your career, and make a very positive contribution to our nation's security as well as the world's.
