Steve Roerman Honored by NDIA at National Event

Our very own Steve Roerman was recently honored at a national luncheon in DC by NDIA. He was awarded the prestigious Kathleen P. Sridhar Small Business Executive of the Year Award!! This is a very big deal and continues to highlight the strength of the industry in our region and our great Corporate Members, especially Steve Roerman and the folks at Lone Star Analysis.

Implementing the National Defense Strategy was a Huge Success!

We heard from Major General Patrick Burden, the keynote speaker and Mike Thornton, SEAL and Medal of Honor recipient was our honored guest.

We had two great panels. Photos below.

We had 40 at the VIP Panel and 70 at the dinner!

We raised \$3000 for the Michael E Thornton Foundation!! To give more, please go here:

In addition to being a Model Chapter, this year, we made Chapter of Excellence!

Chapter of Excellence has even higher standards than Model Chapter. This year, we achieved that highest mark, and we continue to grow our impact in our local community and the defense industry. Come be a part of our team! There are plenty of ways to get involved!

Special Thanks to General Carlisle (ret) and the NDIA National Team for Your Support!

Defense Growth in Austin

With DIU, AFWERX, and Army Futures Command, Austin has become a much more important defense city. Therefore the Lone Star Chapter is helping to start up an NDIA chapter in Austin!

John Thane is our chapter contact as he just moved in that area (learn more about John on our board page).

This will no doubt benefit our local chapter with more resources and we'll be able to help Austin get going. If you are in the area and/or would like to help, send an email to mpdietz@hotmail.com and copy 'jmthane@msn.com'.
