

Patrick Jenevein

CO-FOUNDER, PRESIDENT AND CEO

By leveraging over three decades of executive experience and insight in the global business arena, Patrick has positioned Pointe Bello to be a disruptor in understanding and balancing risk. From the United States to Asia to South America, he has developed noteworthy expertise building businesses in power generation and electric infrastructure, including companies providing sustainable energy solutions in China. Several organizations have recognized Patrick's business leadership through the years, including Ernst & Young, the Dallas Regional Chamber and the U.S. Department of State. His speaking engagements have included the U.S. Chamber of Commerce, the Council on Foreign Relations, The Aspen Institute and the Milken Institute, and Patrick has testified before the U.S.-China Economic and Security Review Commission on Chinese investment in the United States. Patrick is a member of the Council on Foreign Relations and has been a featured commentator for *The Wall Street Journal*, *Dallas Morning News* and other news organizations.
