

Ms. Lynn Tomaszewski – Director

TMAC, the official representative of the MEP National Network in Texas

Lynn leads the Regional Business Development for TMAC-Metroplex to assist small and medium-sized manufacturers, including the defense supply chain. TMAC has a wide array of services that accelerate profitable growth by developing and improving profits, products, processes, technologies and people. Lynn works closely with Senior Leaders to identify strategic challenges and their impact to each organization. Her prior experience as a C-suite executive and business owner brings real world insight to understanding those challenges and in providing solutions. Lynn also works as an Advisor in the areas of Leadership Development, Strategy Planning & Deployment, and Growth Strategies.

Lynn has over 35 years business management experience, including 22 years in the manufacturing industry with a focus in Corporate Planning, Strategy and Communications, Governance, and Quality Management. She has an in-depth working knowledge of manufacturing operations with hands on experience in key processes, as well as in playing an integral role with an international manufacturer receiving the Deming Prize. While pursuing her Bachelor's in Business Management and Legal Studies, a legal internship provided the opportunity to delve into the world of Corporate Law, Governance, and Contracts. Prior to transitioning to manufacturing, she held several senior management positions in the commercial property and casualty insurance industry focusing in Auditing, Compliance, Risk Management, and Finance & Accounting.

Lynn is a member of the American Society for Quality, Women in Manufacturing, a Certified Manager of Quality and Organizational Excellence, Lean Six Sigma Black Belt, state Shingo examiner, state and national Baldrige examiner, and ASQ International Team Excellence Judge. She served as a member of the Review Board for the ASQ CMQ/OE Body of Knowledge, contributor to the national Malcolm Baldrige Integrated Management Framework, and guest speaker on TV and radio talk shows in Texas, New Mexico and Puerto Rico.

Additionally, Lynn has served on several Boards as both Director and Officer, as well as Committee Chair. She currently serves on the DFW Regional Aerospace Consortium, Chairs the Engagement and Outreach Committee, and is a member of NDIA Lonestar Chapter's Cybersecurity and Small Business committees, as well as Co-Chair of the Policy Committee.
