## UNITED STATES AIR FORCE

### ROBERT J. VALDEZ

Robert J. Valdez is the Deputy Director for the 948th Supply Chain Management Group, Tinker Air Force, Oklahoma. Mr. Valdez implements standardized guidance for enterprise demand/supply plans, executes the supply plan, technical support and sustainment transportation initiatives, performance indicators, strategic planning, enterprise sourcing, foreign military sales, and data scientific analysis to meet customer demands.

Mr. Valdez was hired into Federal Government service in 1985 as an Inventory Management Specialist Trainee under the Professional & Administrative Careers (PAC) Training Program. He began his career at Kelly AFB, TX where he worked in the areas of inventory and program management. He performed a two-year career-broadening tour to HQ PACAF, Hickam AFB, HI, and also worked in the SOF System Program Office at Warner Robins Air Logistics Center. Mr. Valdez is married and has four children.
